## VICE PRESIDENT'S MESSAGE

**February 2011**

I know everyone is very excited for the warm weather and also for the spring registration. There are many great programs available this year and I encourage everyone to join the fun!

I want to take this opportunity to thank all the people who have put in their time to keep the association running smoothly. We still have some positions available on the Executive Committee, and it is a great opportunity for you to help your community and meet new people.

We will be organizing another "Day In The Park" in order to raise funds for much needed projects throughout the community. Please contact us at [contact@sutherlandforestgrove.ca](mailto:contact@sutherlandforestgrove.ca) if you wish to volunteer or donate to any of these causes.

*Rebecca May  
Vice President*

Your SFG Community Association is sensitive to the needs of families facing financial hardships and may partially, or fully, fund participation fees in various activities. Subsidization is only to cover the cost of the program and will not include membership to the Community Association. Subsidization is limited to one activity per person per session and is available only to those who reside within our community boundaries. For information, please contact the Vice President or Past President at Registration.

Community Association Membership is \$10.00 per household (September 2010 – August 2011).

### THE RINK REPORT "WRAP-UP"

We are in the middle of a busy rink season but, since this is the last newsletter before the end of winter, I would like to take this opportunity to do a bit of a year-end report:

The outdoor rinks have seen a lot of use this winter. It is great to see so many people outdoors enjoying our Saskatoon weather. The weather has created a challenging year for those maintaining the outdoor rinks; with many snowfalls it certainly kept us busy. I have been very pleased with how people have pitched in to help shovel before they use the rinks, it really makes our job easier! I would like to thank *all the people* who have generously volunteered their time this winter - in particular, Bob Hood at the Sutherland Rink, Val Pritchard at Bishop Filevich Rink and Denis St. Yves at Forest Grove Rink. So, if you use the rinks, remember that it is these type of great volunteers that keep them going for you to enjoy. So, keep on skating as long as the ice lasts.

*Darwin Taylor*  
Rink Co-Ordinator

### Spring 6-A-Side Tackle Football

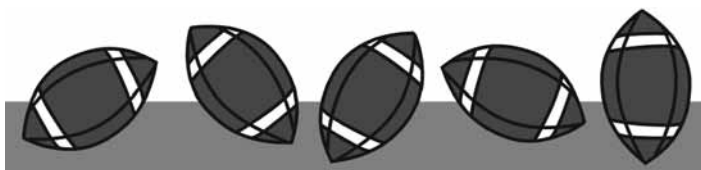

Welcome to the newest addition to Saskatoon Minor Football. The game is played on a smaller field with fewer players which increases each player's opportunity to touch the ball and be involved in the play. The focus of the league is skill development. Coaches will take the time to teach each player a variety of positions in a fun, inclusive environment.

**Two Divisions:** Grade 5 and 6 (Hilltop)  
Grade 7 and 8 (Huskie)
